

## REMARKS

Claims 30 - 52 remain pending in the application. Claim 31 was amended in order to correct the dependency of this claim. Claim 31 should now read as being dependent upon Claim 30. The proper status identifier was corrected from reading, in error, " (Currently)", to now reading "(Currently Amended)".

The application in its amended state is believed to be in condition for allowance. However, should the Examiner have any comments or suggestions, or wish to discuss the merits of the application, the undersigned would very much welcome a telephone call in order to expedite placement of the application into condition for allowance.

Respectfully submitted,

Robert W. Becker, Reg. No. 26,255
